

## PERSONAL ASSISTANCE IN ISRAEL

Would you like me to accompany you during your trip in Israel? I can become your **personal assistant** for one or more days 😊.

Recommended for people who want to visit Israel with **a local and professional in tourism**. This service may include:

- **Meet and greet** at the airport when you arrive and accompany you the airport when you leave.
- **Go with you** to different tourist attractions not necessarily included in the commercial tours, but of great importance and interest, picturesque neighbourhoods, archaeological or historical sites, synagogues, museums, restaurants, cafes, and many other attractions.
- Give you **recommendations** and **advice** on how to move around the city and country and how to deal with people considering the local culture.
- Accompany you to **try typical food**, desserts, sweets, and local food in markets, restaurants, cafes, or bars.
- Help you communicate in **Hebrew** with locals.
- **Take pictures of you** in the different landmarks or wherever you prefer, to bring with you, nice memories of your trip.
- **Travel with you** on tourist or public transportation in a specific city or region or between them.
- **Go shopping with you** and help you bargain to get the **best deals**.

\*This is not a tour guiding service
