

## TRIP PLANNING AND TAILOR-MADE ITINERARY (recommended)

The **best option** for a **complete trip planning service**. It may include:

- **Zoom meeting** of up to 60 minutes to introduce each other and discuss your doubts, interests, likes, and travel needs. Based on this information, we can give the first steps to plan your memorable trip to Israel.
- **Advice and /or assistance** to book tours, lodging & transportation in Israel. Enjoy a **10 % discount** on shared or private tours Bein Harim T.S offers.
- Creation and delivery of a **tailor-made and detailed itinerary** including places you can visit on your own, such as tourist attractions, restaurants, and more.
- **Transportation options** from and to the airport.
- Description of your tours, including dates, schedules, and pick-up points.
- **Assistance on WhatsApp** before and during your trip to Israel, except on Jewish holidays (days of rest).
- **Information** on how to use public **transportation** in a specific city and from one city or region to another following the chosen itinerary, daily passes, prices, and schedules for trains, buses, and taxis.
- **Suggestions to visit places** on your own that may be of your interest, during your free time, as coordinated during the Zoom meeting.
- **Information** about **restaurants, cafes, and entertainment places** in Jerusalem, Tel Aviv, or any other city or region included in the itinerary where you will overnight or spend the day.

**Price per planned day: \$27 (twenty-seven and 00/100 US dollars)** on its equivalent amount in Israeli Shekels according to the exchange rate of the date, published by Google, unless otherwise agreed.

The minimum amount that can be charged for this service is \$135 which corresponds to 5 days. It considers all days from the day you arrive until the day you leave unless otherwise agreed. The maximum number of people traveling together on a \$27 per planning day is 5. Extra fees apply for 6 or more people traveling together.
